OFFICIAL HISTORY OF THE GREAT WAR

MILITARY OPERATIONS

TOGOLAND AND THE CAMEROONS

This volume tells a story of warfare in swamp and forest that has few parallels in history.

An interesting description of the country, amply illustrated, introduces the reader to a region little known before 1914. The mountainous part of the Cameroons possesses features of great beauty, and a moderate climate, but the coastal area is one of the most pestilential known.

The clear-cut conquest of Togoland is followed by the more complicated operations in the larger colony. In the first days of the campaign, while the military forces were making their preparations, the Navy played the major part and throughout all the subsequent operations added valuable support to the troops on land, besides conducting a close blockade of the coast.

The narrative describes how our West African soldiers from Sierra Leone, Nigeria, the Gold Coast, and the Gambia nobly sustained the highest traditions of our armed forces. Step by step the volume traces the course of events: the German preparations at Duala and the surrender of that important place; the capture of Jibassi, Edea, Victoria, and Buea; the operations up the northern railway; the German attack upon the French at Edea; the operations in the north; the first unsuccessful advance and the final drive of converging columns upon Yaunde. With the fall of this place and the retreat of the enemy into Spanish Muni some six weeks later, the campaign came to a triumphant end.

MILITARY WIDOWS' FUND. BRITISH SERVICE.

This Fund enables a British Service (Army) officer, by subscribing from Rs. 6 to Rs. 10 per quarter, to assure, in the event of his death while on the Indian Establishment, immediate payment :—

To his widow	Rs. 8,775 to Rs. 12,375
For each child	„ 750 to „ 1,125

Payments are made immediately on receipt of report of death, irrespective of death occurring in or out of India.

The sum paid to the widow varies with subscription, and the sum for each child varies with age of child. Subscriptions are based on the rank of the officer.

Benefits are payable whether the deceased officer's family is residing in India or not.

It is to the advantage of an officer to join the Fund on his first tour of service in India, as otherwise, on joining it in a subsequent tour he would have to pay subscriptions for any previous tour in the country as a married officer, but not in excess of four years.

The Fund (late Queen's Military Widows' Fund) was established in 1820, to assist families of British Service (Army) officers dying in India, and mainly to enable them to return home without delay.

The Fund is controlled by a Committee consisting of and elected by subscribing officers serving at Army Headquarters, Simla.

For admission apply to :—

The Secretary,
Military Widows' Fund,
Army Headquarters, Simla.

President—Field-Marshal H.R.H. THE DUKE OF CONNAUGHT, K.G., &c.

Chairman of Committee—Colonel SIR AUGUSTUS FITZGEORGE, K.C.V.O., O.B.

Deputy Chairman—Major-General H. W. DUPERIER.

Secretary and Treasurer—Brig.-Gen. D. G. PRENDERGAST, C.M.G.,

This Home (opened in February, 1854) was founded in 1851, in memory of H.R.H. Adolphus Frederick, Duke of Cambridge, K.G., to provide a home for widows of Non-Commissioned Officers and Privates of the Army. They are not to be under 50 years of age, but there is no restriction as to religious persuasion.

Since its opening, 463 widows have been elected. There are 70 widows in the Home, in addition to 21 widows receiving pensions. Each inmate has a furnished room, and receives twelve shillings a week and a monthly allowance for coal in addition to other amenities.

The total funded income of the Charity falls short of the estimated average annual cost by about £1,000.

The Committee make an urgent appeal for additional subscribers, as every year a considerable number are lost through death.

Most Corps, Regiments and Regimental Depots make annual subscriptions; but the Committee have also relied upon retired officers, and it is to them that a special appeal is made.

Every person subscribing half-a-guinea annually is entitled to one vote at each election, and a donation of five guineas ensures one vote at each election throughout life.

LLOYD'S PATRIOTIC FUND

**LLOYD'S BUILDING, 5, LIME STREET,
LONDON, E.C.3.**

ESTABLISHED 1803.

This Fund is administered by Trustees under a scheme approved by the Charity Commissioners, in whose name the Capital is invested.

The Trustees grant pecuniary aid to such Officers, Soldiers, Seamen and Marines, or their Widows, Orphans or Dependent Relatives, as, in the opinion of the Trustees, shall be fitting objects for such aid, having special regard to long and meritorious service, and to suffering and losses arising during active service. With the exception of the families of Naval Officers, only very few cases arising out of the Great War can be considered at present.

This fund also nominates children of such Officers and Men to Army and Navy Schools.

Applications and enquiries should be addressed to the Secretary, who will be very pleased to receive subscriptions on behalf of this Fund. Cheques and Postal Orders should be crossed "National Provincial Bank, Ltd."

Chairman—THE PAYMASTER-GENERAL,
and 11 others.

A candidate for registration for admission to the School must be the son of a warrant officer, non-commissioned officer or man who is serving or has served in the Regular Army, or of an officer who has been promoted from the ranks to a commission in the Regular Army. Preference in general is given to orphans, and to those whose fathers have been killed in action or have died while in the Service or after leaving the Service. Those selected by the Board of Commissioners are admitted between the ages of nine and eleven years, provided they reach the required medical and educational standards. The School's waiting list is a long one, but each application is considered on its merits, the career and character of the father while in the Service being always considered as principal recommendations.

The normal age for leaving the School is fifteen years, when boys may (a) join His Majesty's Army, (b) return to their homes or to an occupation in civil life, or (c) if recommended, continue their education in the Upper School until the age of nineteen years.

There is no obligation for boys to enter the Army from the School but those who do not intend to do so are not retained beyond the age of fifteen years. Boys who qualify for the Army second class Certificate of Education while at the School are accepted for training at the various Army Technical Schools without further examination.

Two Scholarships are available for boys who qualify at an Army Entrance Examination for admission to the Royal Military Academy, Woolwich, or the Royal Military College, Sandhurst. The value of a Scholarship is sufficient to cover the whole of a boy's expenses until he enters the Army as an officer.

Further information will be given on application to the Secretary at the School.
